In conjunction with the

Kingwood Area Quilt Guild

April 14 - 16, 2011

At Humble Sewing Center and the Humble Civic Center

Meet Nancy Zieman, TV personality and host of *Sewing with Nancy* while learning new techniques and sharing experiences with other sewers!

Retreat Lectures

***Thursday evening:* Sewing with Nancy's Favorite Tips and Techniques**

Nancy Zieman usually teaches from her TV studio classroom. During this seminar Nancy will share with you her favorite tips and techniques up close and personal! She'll share her favorite time-saving sewing tips, guidelines to creating terrific looking bags, easy scarf and accessory sewing techniques, and ways to embroider that take all the guesswork out of placement.

***Friday morning:* Quilting With Nancy**

Whether it's a super-sized or traditional sized quilt block, Nancy has ways to streamline the sewing process. You'll be sure to gain quilting know-how after watching and listening. Also learn how to use pre-cut fabrics kits such as jelly rolls and charm packs to create quick projects. Nancy concludes this seminar with her favorite quilting passion—landscape quilting. You're sure to be inspired.

Friday morning: Discover A Whole New World of Embroidery with Brian Bailie

Meet Brian Bailie, the creator of Designer's Gallery embroidery software. Discover his secrets to maximizing your embroidery, including the best tools to find and organize your designs. Best of all, you'll learn how to become an embroidery designer instead of an embroidery collector! Software is easy and fun, so join Brian for a whole new world of embroidery.

Retreat Classes

Serged Memory Keeper

Sewing retreats are a great place to meet new friends, play with new machines and make some lasting memories. Using the Baby Lock Evolution you will make a picture and memory holder while learning some new serger techniques.

Crazy Patch Box

Combine the art of both Crazy quilting and Sashiko stitching to create this unique box to hold sewing treasures or memories of any kind. The crazy quilting will be created in the hoop and the sashiko stitching will be made with the Baby Lock Sashiko machine the only one of its kind. So come and explore the latest in 21st century quilting techniques.

Embellisher bag on the CD

Create your own fiber art collage while experimenting with different fibers and fabrics to create texture using the Babylock Embellisher. Then explore the effects by combining quilting and embroidery for a bag everyone will envy!
